

TENUTA CASENUOVE IGT TOSCANA 2016

Wines of Adelaide Winemaker has delivered the perfect package from Tuscany in this Sangiovese / Merlot blend. Like all the wines from this producer comes in a real sexy package with standout orange text giving a real POS presence - saying "pick me!". Rich brooding dark colours. The wine sticks to the side of the glass. Long lingering flavours that scream for cheese or dry bread and olive oil to supplement this future "super Tuscan". Invest in a case or 6 now, and put a few dozen deep in the cellar and enjoy a few bottles each year to go on the wines evolution to greatness. Sensational!
